April showers bring May kittens

Spring is here at last and with the beautiful weather comes kittens and puppies. As always life gets a little hectic when the orphans and expecting mothers start coming to us. A.W.A does not have a shelter and houses all of it's animals in dedicated foster homes, but the demand for room and board is high and we are seeking families who would like to open their home to a mother and/or babies. We currently have several nursing momma cats and 1 expecting. We also have several litters of puppies that are looking for a home that could help them learn basic obedience and house manners.

For more info on fostering call 636-456-4357 (HELP)

CAT OF THE MONTH

PAISLEY, is a very loveable 2 year old shorthair grey tabby female. She is litter box trained and very clean. She is easily scared by loud noises and would like a quiet home. Paisley is able to accept large dogs even if she really doesn't like them. She has done very well with other friendly cats after knowing them a few days. Paisley is spayed and current on all vaccinations, but is not micro chipped.

If you would like more information on Paisley please call 636-456-4357 (HELP)

Cat Lovers Needed!

We are looking for volunteers who would like to help A.W.A. maintain the love a pet center cats in the Wentzville Pet Smart. For more info call Becky @ 636-456-7551 or 636-456-HELP

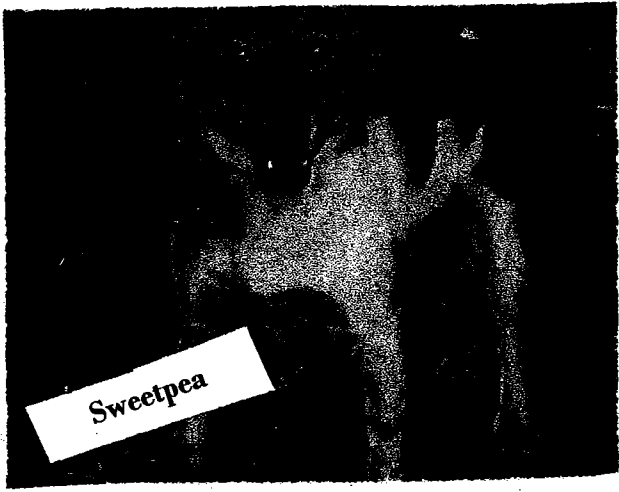

A big heart found for Goliath!

We are delighted to announce that Goliath, the heartworm positive rottie has found a wonderful foster home and has begun treatment and we are thankful to say that he is doing very well.. A.W.A. is accepting monetary donations to help cover the expense of the heartworm treatment. Donations can be sent to A.W.A. c/o Goliath fund P.O. Box 122 Warrenton, MO. 63383 Your support is greatly appreciated!

DOGS OF THE MONTH

SWEAT PEA & HONEY BUN

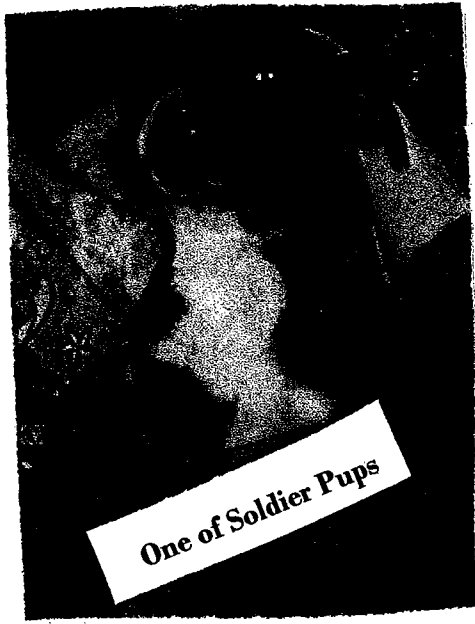

These two adorable shepherd hound mix sisters love to be together, weather it's playing around in the back yard or snuggling up for a nap. These girls are a little timid in new situations and don't like loud noises, but are gaining more confidence everyday in their foster home. Sweat Pea and Honey Bun enjoy spending time outside and would do best in a country home where they can stay together. They are doing well with crate training at night and love to be petted and cuddled all of the time. They are around 2 years old, spayed, micro chipped, current on all vaccinations and on heartworm preventative. If you would like more information on Sweat Pea & Honey Bun please call 314-304-3812
